

## My Happy Little World

Hello, hello,  
How are you?  
I am happy,  
Yes, it's true!

I see the sun,  
Big and bright.  
It says, "Good morning!"  
With warm light.

I see a cat,  
With a hat.  
It says, "Meow!"  
How about that?

I see a bird,  
In a tree.  
It sings a song,  
For you and me.

I see a dog,  
Run and play.  
Jump and hop,  
All the day.

The sky is blue,  
The grass is green.  
The prettiest world  
I've ever seen!

The sun is fun,  
The sky is high.  
Clouds go slowly  
In the sky.

I smile big,  
From ear to ear.  
My happy world  
Is always near.

Thank you, teacher.  
Thank you, friends.  
My happy song  
Now comes to end.

## My Happy Family

There are four people in my family:  
my dad, my mom, my brother, and me.

My dad is tall and strong.  
He plays ball with me in the park.  
He says, "**You can do it!**"  
He is my hero.

My mom is kind and sweet.  
She cooks yummy food.  
When I feel sad,  
she gives me a big hug.  
Her hug is warm like the sun.

My brother is funny.  
We play games together.  
Sometimes we fight,  
but we always say, "**I'm sorry.**"  
Then we smile again.

In the evening,  
we eat dinner together.  
We talk and laugh.  
We say, "**Thank you**" and "**I love you.**"

My family is my team.  
We help each other every day.  
I love my family very much.
